LONG BIO

260 WORDS

Jose Ucar is an International Communication and Influence Expert who empowers business leaders to cultivate strong international relationships. His journey began in Sweden when he was 16, and he has since become a driving force in cross-cultural communication and leadership.

In today's interconnected global landscape, his expertise in cross-cultural communication is vital. Jose's mission is to enable organisations to communicate internationally with impact and confidence, fostering collaboration and gaining a competitive edge.

He focuses on three pillars of success:

- 1. Building Trust and Respect:** Jose helps establish strong international relationships rooted in trust and respect, leading to high-performing teams.
- 2. Adaptive Communication:** By adapting communication strategies, he leaves a positive impact on leaders, clients, and stakeholders, improving teamwork and satisfaction.
- 3. Global Leadership:** Jose empowers leaders to attain global influence that transcends financial gain.

Featured on Yahoo Finance and Yahoo News, Jose's articles have appeared on platforms like Mentors, Thrive Global, Disrupt Magazine, LA Weekly, and The Influencer Age. He is a TEDx speaker, professional speaker, and author of "Global Influence".

With clients like Procter & Gamble, SEAT-CUPRA, DAF Trucks, Amazon, The ExCel London, and Chiesi Pharmaceuticals, Jose speaks at both large and small events. He impacts and improves businesses by transforming their communication, fostering authentic relationships, and offering fresh perspectives.

Audiences leave Jose's presentations inspired and motivated. He challenges conventional thinking, uncovers untapped potential, and encourages new approaches to success.

Fluent in English and Spanish, Jose offers a unique perspective in international communication.
