TRAINING PROGRAMME

MANAGING AND LEADING VIRTUAL TEAMS

Lead beyond the screen. Build trust across distance. Deliver results anywhere.

Leading remotely requires more than video calls and shared documents. It demands intentional communication, stronger clarity, and deliberate culture-building. This practical workshop helps managers of remote and hybrid teams **build trust, drive performance, and maintain engagement** without physical proximity.

WHAT YOUR TEAM WILL GAIN

- Strengthen leadership in virtual and hybrid settings
- Improve communication across digital channels
- Build trust and accountability in remote teams
- Increase engagement without physical presence

RESULTS YOU CAN EXPECT

- More confident and intentional virtual leaders
- Clearer communication, fewer misunderstandings
- Stronger team cohesion despite distance
- Clearer ownership and accountability remotely

> *"I've recently had the pleasure of being trained by Jose. He is a great coach. He is full of knowledge but has a brilliant way of teaching without directing to you. He is warm, funny and it was a joy to be in his company."*
